

**REMARKS**

The Abstract was objected to as being in excess of 150 words. Applicants have reduced the number of words in the Abstract to below 150.

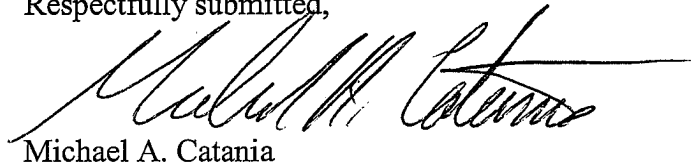

Claims 1-38 were provisionally rejected under the judicially created obviousness-type double patenting as being unpatentable over the claims of U.S. Patent Application Number 10/709,247 in view of U.S. Patent Number 4021047. Applicants submit herewith a terminal disclaimer for U.S. Patent Application Number 10/709,247.

The claims of the Present Application have not been amended, and thus the Applicants believe that a listing of the claims is not necessary.

It is believed that the claims are now allowable. The Applicants therefore respectfully solicit a Notice of Allowance.

*May 12, 2006*

Respectfully submitted,

Michael A. Catania
